

## **Mechanical Fitter (up to £18.00/hr)**

Houghton International improves the performance of electro mechanical assets around the world. We use our technical expertise to work with customers to solve their problems offering a high-quality repair and maintenance service for motors, generators, pumps, and all electrical rotating equipment.

We recognise that people are our most important asset. We have a highly skilled team that successfully combines youth with experience, and we invest in our people to be 'the best in the world at what we do'.

Due to continued business growth, we have opportunities for time served Mechanical Fitters to join our growing team. Pumps experience is desirable; however, training will be provided.
