

Site Engineers (up to £18.00/hr)

Houghton International improves the performance of electro mechanical assets around the world. We use our technical expertise to work with customers to solve their problems offering a high-quality repair and maintenance service for motors, generators, pumps, and all electrical rotating equipment.

We recognise that people are our most important asset. We have a highly skilled team that successfully combines youth with experience, and we invest in our people to be 'the best in the world at what we do'.

Due to continued business growth, we have opportunities for time served Engineers (Electrical or Mechanical) to work at our site in Byker as well as various customer sites throughout the UK.

Working at Houghton International

At Houghton International 'everyone matters' and in return for our employees' commitment and hard work everyone enjoys a range of benefits additional to their salary so that everyone can continue to share in the company's continuing growth and ongoing success.
